

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at <http://about.jstor.org/participate-jstor/individuals/early-journal-content>.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

THE "PRACTICAL" TROUSERS HANGER AND PRESS

Keeps Trousers

"Smooth as if Ironed"

It is so easy to use as to be

"QUICKER THAN CARELESSNESS"

and if after a trial it does not give satisfaction return it and we will refund.

We send you free on request facsimile letters of some duplicate orders (the strongest kind of testimony) and our interesting circular.

PRICE, 75 CENTS EACH. Sent, post-paid, on receipt of price in stamps or otherwise. Or we will send, express paid, SIX of the PRACTICAL TROUSERS HANGERS and THREE CLOSET RODS (which are described below) for \$5.00. We sell hundreds of such sets.

Also the PRACTICAL CLOSET ROD, price 25 cents, post-paid. It is made of wrought steel, nickel-plated, is nine inches long and constructed with a detachable socket, rendering it very easy to put in place—a truly good thing to increase the capacity of a closet.

Did you ever go to your closet and find several coats, a pair or two of trousers and perhaps some of your wife's dresses, all hanging on the same hook and on top of just the garment you wanted? Well, this never happens when you use our devices and arrangement. The picture shows why. It also indicates the capacity of a Rod and shows how three rods can be advantageously used.
